

CORPORATE PARTNERS PROGRAM

The ACMG Foundation's **Corporate Partners Program** makes our key initiatives possible. Corporate gifts support many of our annual programs by generously supplementing individual donations and federal grants. ACMG's clinical and laboratory practice guidelines, advocacy campaigns, continuing education programs, and the Foundation's work to steer medical students into the genetics and genomics field depend on corporate support.

Our corporate donors engage with ACMG members who are an elite global community of board-certified geneticists covering all areas of study. Our members recognize that therapeutic, diagnostic, and associated genetic companies are our natural allies in translating genes into health. ACMG and the ACMG Foundation provide a forum where industry, academics, and individuals come together to improve the diagnosis and treatment of genetic diseases.

Corporate Partner Benefits by Annual Contribution Levels*	Friend: Under \$25,000	Silver: \$25,000- \$49,999	Gold: \$50,000- \$99,999	Platinum: \$100,000- \$250,000	Diamond: Over \$250,000

* Corporate Partnerships expire 12 months after donations are received. Donors are recognized at the first available annual meeting. Publicity at our spring meeting improves for donations received in the prior year, or before the end of February.					
** These benefits may be provided to smaller companies at the discretion of the Foundation Board.					
Nonprofit groups providing unrestricted contributions in excess of \$5,000 will be recognized as Silver Partners, as will University laboratories or nonprofit hospital systems contributing \$10,000 or more.					

To become a Corporate Partner, contact ACMGF@ACMGFoundation.org or call (301) 718-9603.
